

GEN II YOKE STYLE SINGLE MAN BASKET

350 lb. Capacity

DIVERSIFIED

P R O D U C T S

(254) 757-1177

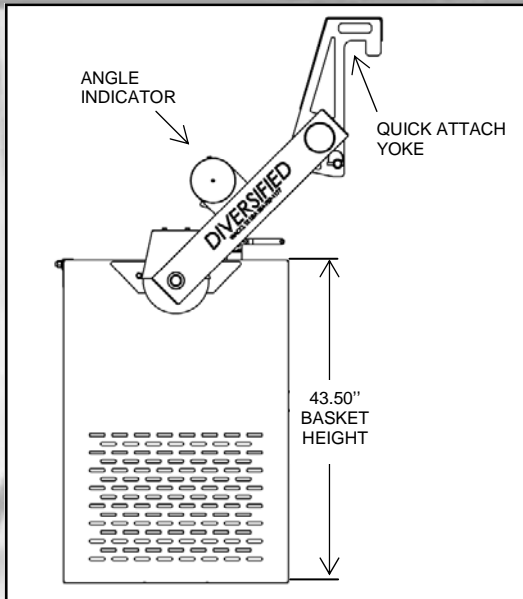

www.diversifiedproduct.com

The next generation platform designed by engineers after many years of input from operators and field crews.

BRAKE

- High capacity disc brake
- Heavy duty linkage

ENTRANCE

- Bar at top of basket pivots out of the way to enter.

FLOOR

- Slots in the floor to drain water
- Upset holes for skid resistance

WORK AREA

- Large open area for increased productivity
- Full-sized floor provides more space for men and materials
- 30" x 30"

Features and Benefits:

- Steel construction to meet the rigors of contractors and utility applications.
- Fabricated with laser produced parts, keyed together, then welded into place by certified welders.
- Entire assembly designed utilizing solid modeling and Finite Element Analysis.
- Meets or exceeds industry standards
